

Missionarii S. Joannis Baptistæ

Vox clamantis in deserto, parate viam Domini

VOCATIONS

Over the last few centuries, an ungodly revolution has attempted to topple Christ the King from His rightful throne and replace the Christian Order with a diabolical chaos. Humanity suffers greatly as a result of this turmoil. A counter-revolution is required that reestablishes peace and order by restoring all things in Christ. As St. John the Baptist prepared the way for the first coming of Christ, so we seek to prepare the world for the second coming of the Savior. If you are a young, single Catholic man interested in the holy priesthood, the religious life, and the coming counter-revolution, please consider the *Missionaries of St. John the Baptist* as part of your discernment.
